Chantefables and the Textual Evolution of the San

The Annals commentators would seem to have had scholars like themselves in mind, and older Confucian traditions were not inhospitable to such claims.

Chantefables and the Textual Evolution of the San

For those individuals for whom multiple nianpu have been written, a limited number has been selected.

《東方學》目錄(第一輯至第百十輯——2005年)

Nach den Angaben eines chinesischen Kenners dieses Gewerbs- zweiges ist die Herstellung dieser Fächer überaus einfach. Oolong heisst »schwarzer Drache«; Souchong, »kleine Sorte«, ist eine Abart des Congou und wegen der sorgfältigeren Behandlung meist teurer als die Durchschnittsqualitäten des letzteren; Pecco heisst »weisser Flaus«, wegen der feinen weissen Härtchen, die auf den Blättern des echten Pecco zu sehen sind.

《東方學》目錄(第一輯至第百十輯——2005年)

Unter den Be- wohnern des Landes giebt es Zauberer, die sich in Vögel, Raub- tiere und Seeungeheuer verwandeln und so die unwissende Masse in Schrecken versetzen. Rather, one must restore proper relations of authority and proper routines of bureaucratic practice within the state as it exists, and as it was handed down by the dynastic founders. Neither Five Dynasties and Ten Kingdoms rulers nor Liao and Chin authors are included.
