## Population projections

Largest Ethnic Groups in Indonesia: Group % of total Population Javanese 42. Momentum in manufacturing activity, in particular, has weakened substantially, to levels not seen since the global financial crisis.

## Indonesia Population 2021 (Demographics, Maps, Graphs)

Indonesia Should Capitalize on Its Greatest Asset: People Global demand is staging a recovery in the second half of 2020, but Indonesia will likely benefit less than other countries in Asia because exports make up too low a share of its GDP. These emotions were reason why the Indonesian government was forced to usher in the in the post-Suharto period.

## Demographic transition in Indonesia (1990 edition)

Without a corresponding fall in birth rates, countries in this stage experience a large increase in population. But with the COVID-19 pandemic continuing to spread, many countries have slowed reopening and some are reinstating partial lockdowns to protect susceptible populations.

## Population of Indonesia

Policymakers never consider the following point when issuing new laws: will this integrate the country into the global supply chain or will it separate the country from the global supply chain? The playbook is straightforward: Indonesia should target sectors it wants to develop and introduce incentives to attract multinational firms to invest.

## Indonesia Overview

Census Bureau, demographic data and trade data. To immediately respond to the COVID-19 crisis, the Government has announced a fiscal

package amounting to 4. The Indonesian constitution grants religious freedom There are more than 700 languages spoken in Indonesia.

### **Population projections**

The second demographic wave occurs when large portions of the population approach the end of their working lives and commence to save and invest for their retirement. Such numbers indicate that - from a demographic perspective - there is great potential for both productivity and creativity in Indonesia. January 11, 2019 Description: The global expansion has weakened.
