## Survival in the Sky

I'd like to single out Lloyd Nolan and Sean McClory in particular. Some closeup shots reveal his torment, but the men must never see it.

## Island in the Sky (1953)

The American Hardwood Monte Carlo finish makes this one look like an absolute jewel. A book also titled Black Box was published in 1996 as a companion to the series.

## Island in the Sky (1953)

Marauder is practical for a survival gun if you invest in a hpa hand pump.

## Survival in the Sky (1999)

They are not regulated by our nanny government so you can buy as many as you want today with no hassles.
