Humans and Nature

Social democrats somehow manage to take the worst from both and make it into an undigestible sandwich.

Socialism Is Back, and the Kids Are Loving It

The State has not proven to be a solution to any of the problems of alienation and community, but has made matters worse.

Max Weber's Contributions to Sociology

First, it would generate unfair distributions, as workers doing the same work in different enterprises would end up with unequal income if the enterprises are not equally successful in the market. And if we're not careful, it might succeed. Socialism is a rich tradition of political thought and practice, the history of which contains a vast number of views and theories, often differing in many of their conceptual, empirical, and normative commitments.

Socialism (Stanford Encyclopedia of Philosophy)

Go fuck your ignorant communist ass and get out of here. There are several problems with the developed way of life, and postdevelopment theorists feel that these problems ought to be highlighted.

Humans and Nature

He also took a few strips off the Master as well.

When Socialism was Popular in the United States

We can only speculate about what our contemporary world would look like had there been no imperialism, no slave trade, and no colonial and neocolonial trade practices; however, it seems reasonable to assume that the developed parts of the world could not have achieved their current levels of material comfort if these practices had never taken place, and indeed did not continue to take place today. A landed populace, however, does not pay rent and grows most of its own food and thus has a great deal of independence.
