### About Us

Sometimes we fall ill, or get hit by AMS or at times simply fatigue pulls us down.

### Mukta (1994)

At Indiahikes, we believe that the mountains hold all the aces. After a point the trail gets steep for about 1.

### Mukta (1994)

You pass through the base of the hill and walk on undulating meadows for an hour to reach Mukta Tal .

### Muktabai

On a trek, your headlamp must help you see around you as much as ahead of you. Kuari 7,781 ft to Chaithathar is 3 km and takes 3 hours. All in all, it was truly a great experience and I'd love to trek with INDIAHIKES again.

### What is Mukta?

Day 3: Shiladuni to Chaithathar 9600 ft Time taken: 5-6 hours, 5km. It is a zigzag ascent with pine trees around. AC bus tickets cost about Rs 700.

### Mukta Top Trek 2021

Contact lens users : If you use contact lenses, you can use them on the trek too.
