On each visit, Albers took black-and-white photographs of pyramids, shrines, sanctuaries and landscapes, which he later assembled into rarely seen photo collages. Several mid- to late 20th-century prints and works on paper from St. Fifty of these sketches are the subject of a splendid exhibition at the , Josef Albers in America: Painting on Paper, through October 14.

Hard

It's big and bulky, but also very thorough, and gives a good overview of the basics at the front.
