Japan's Modern Myths

Innumerable Western critics have sarcastically commented on the Japanese for imitating foreign literary models and on their indifference to their own traditions. Common themes in Japanese mythology are deities, royalty, and nature.

Japanese Mythology: 5 Legends and Ancient Myths and Legends

Touching upon a wide array of sources, Sari Kawana traces the ways in which literary works have morphed into different variants, ranging from textual compilations, textbooks and visual film, manga, other media to virtual and real world, through innovative publishing and reading practices.
