A new memoir from Hansa Pankhania

Roda logam bergetar saat menarik pulley dengan panci air plastik besar di atasnya.

Panhalai Books

Collins is starting work on his fourth map of the island. All five worked as a team.

Panhalai Books

A depth of nearly 12 feet was reached.

Panhalai Books

One never tires of rambling among them; thousands of them fly low over you with shrill cries.

☐ **Panhala: Memoirs of a Fort**

There, during suppertime, they would run around in countless numbers. While taking an evening swim, Henry caught a shark, one of several close to shore. Dan worked all day, cleaning the shells he had collected last night.

A new memoir from Hansa Pankhania

The Kinkajou had brought a number of old magazines, which added to their stock of read-ing material. Collins put the fly, from the beach, as the roof of his house.

Panhalai Books

I have re-posted it here to make it more accessible to other Jarvis Island enthusiasts.

Jarvis Island

Much of the day was spent checking the inventory list. In the afternoon Dan speared four uhu, which we had for dinner. Graf catches specimens for Bishop Museum.
