Nothing could be further from the truth.

Blommers, OpenView Network Node Manager: Designing and Implementing an Enterprise Solution

And I did evalute a few of the top performers in the open source area before I went into the business.

HP OpenView

I can assure you that my rates are probably a lot less expensive than what your company paid for all of the shelfware you happen to have laying around.

Blommers, OpenView Network Node Manager: Designing and Implementing an Enterprise Solution

NNM displays where the network is functioning correctly and identifies areas that require maintenance. Management Station SNMP Data Collection. A new user group, the HP Software Solutions Community, officially launched publicly in April 2010 and includes all former software-related communities.
