# Optimization-based computer-aided modelling and design - proceedings of the first working conference of the new IFIP TC 7.6 Working Group,The Hague, The Netherlands, 1991

Springer-Verlag - INFSCI 3954: The Adaptive Web

Description: -

-

Tiszalök (Hungary) -- History.

Computer-aided design -- Congresses.

Computer simulation -- Congresses.Optimization-based computer-aided modelling and design - proceedings of the first working conference of the new IFIP TC 7.6 Working Group,The Hague, The Netherlands, 1991

-

174.

Lecture notes in control and information sciences ;Optimization-based computer-aided modelling and design - proceedings of the first working conference of the new IFIP TC 7.6 Working Group,The Hague, The Netherlands, 1991

Notes: Includes bibliographical references.

This edition was published in 1992

Filesize: 32.108 MB

Bibliography

Furthermore a new implementation solution based on the mobile agents paradigm is under development. It is expected that a test suite which is derived from the IOA S based on the above process 92 is complete for the fault model T{m. Constraint-based generalization: Learning game-playing plans from single examples.
